You may also vote for candidate(s) of another party, in a specific contest, by completely darkening the oval next to his or her name. This action will not void your straight party vote for other candidates, in other contests.

INSTRUCTIONS:

Mark your ballot in blue or black ball point pen only. Completely darken the oval next to the candidate(s) of your choice, making sure to vote only for the number of candidates to be elected in each contest. If you wish to vote for a candidate that is not on the ballot, write in a name and darken the oval next to the "write-in" selection.

STRAIGHT PARTY VOTING

To vote a Straight Party Ticket, completely darken the oval next to the party for which you wish to vote. This will automatically cast a vote for all candidates of your chosen party, in all contests. You may also vote for candidate(s) of another party, in a specific contest, by completely darkening the oval next to his or her name. This action will not void your straight party vote for other candidates, in other contests.
