

RECYCLING HELPS  
PENNSYLVANIA'S ECONOMY  
AND ENVIRONMENT

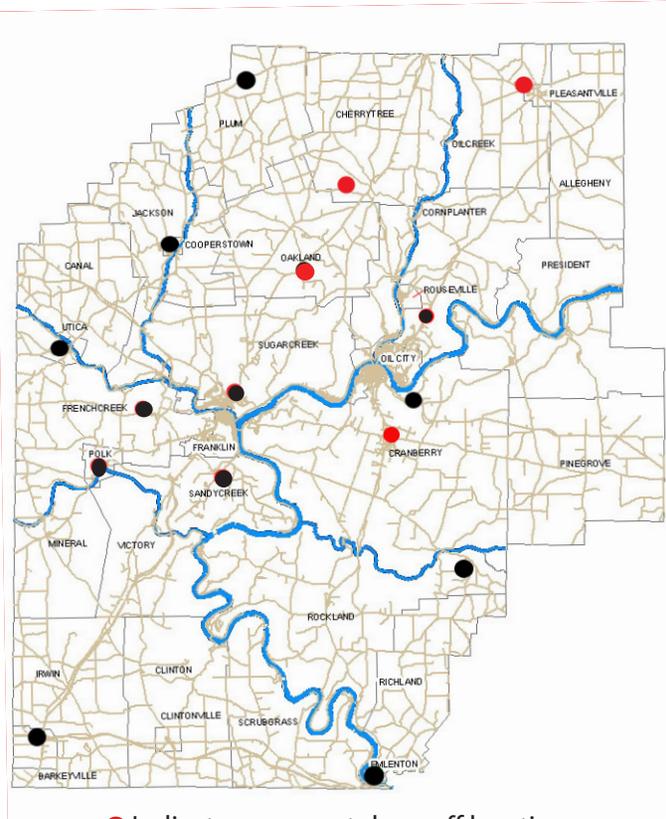

Did you know that recycling benefits Pennsylvania's economy and environment by conserving our natural resources, reducing air and water pollutants and helping to save energy?

The recycling industry has grown with over 94,000 people employed in Pennsylvania steel mills, paper and paperboard mills, plastic converter industries, and nonferrous metal manufacturers.

Some of the items recycled and reborn are: glass jars which become fiberglass material, tiles, new bottles and jars; soda bottles become fleece jackets, fiberfill, carpet and shower curtains; milk jugs become decks, lumber and toys; cardboard, paper, and newspapers become new boxes, greeting cards and newsprint.

Thank you for helping to do your part in keeping our landfills clear of recycled material!

VENANGO COUNTY

Solid Waste  
and  
Recycling

Reduce your refuse and recycle!

## RECYCLABLE MATERIALS

### BOTTLES & CANS

#### PLASTIC

Plastic bottles coded #1 - #7 are recyclable in Venango County.  
Rinsed & debris-free

#### GLASS

Clear, Brown or green bottles and glass jars  
Rinse and remove lids (lids can be recycled with steel cans)

#### CANS

Aluminum and bi-metal cans and metal lids, only  
Rinse and then crush to conserve space

### PAPERS

#### PAPER AND MAGAZINES

Package high grade office paper and magazines into paper grocery sacks  
Glossy inserts in Magazines are acceptable  
Magazines of all types are welcome

#### CARDBOARD

Corrugated only  
What's corrugated? Look at the cardboard from its edge. Two sides will be flat and the middle layer will have ridges.  
Boxes must be clean and free of food waste or oil

## NON-RECYCLABLE MATERIALS

The following are not eligible recycling materials.

#### PLASTIC

Plastic bags & all other items not coded #1 through #7 or marked PET, PETE, or HDPE. Examples include: coffee cups (styrofoam), meat trays, lids or caps, & egg cartons.

#### GLASS

Broken glass, Light bulbs, windows, ceramic dishes, Pyrex, china, mirrors & cookware (carefully contain broken items & place in trash bags).

#### CANS and METAL

Paint or oil cans, motor oil containers, hub caps, chairs, siding, foil, wire hangers & aerosol cans.

#### PAPER

Waxed milk/juice cartons, telephone books, facial tissue, soiled napkins, paper plates & cups.

#### CARDBOARD

Pizza, cereal, cake mix, Jell-O, soda, beer or any cardboard contaminated by food & gift boxes.

Household Hazardous Waste and Electronic Recycling Events are held annually in Venango County. Events are advertised in The Derrick and News Herald a month prior to the event. Both events require pre-registration. Check the Venango County website for updated information on events as they are scheduled.
