

Dear Educator:

The Student Poll Worker Program is one of the most successful poll worker recruitment programs in the nation. With your help, we would like to continue this program in Venango County. Only with your help will the program continue to be a success and increase student participation in the Democratic Process that is the foundation of the United States of America.

We had a successful start with this program during the 2013 General Municipal Election, so we plan to continue it for the upcoming 2014 Spring Primary Election. Participation from you and your students is vital to the election process; therefore, we are seeking your high school's participation in the upcoming May 20, 2014 General Primary Election.

We encourage as many teachers as possible to participate from each school; however, to minimize confusion, we ask that there only be one School Coordinator designated from each school to serve as the liaison to our office. We are looking forward to increased enthusiasm regarding the program and appreciate your assistance in bolstering that enthusiasm and creating an eternal interest in the Democratic process in our youth.

Enclosed is a packet containing all information needed regarding the Student Poll Worker Program. For your convenience, program materials are also available on our website at www.co.venango.pa.us.

The Student Poll Worker Program is a great way to introduce your students to the democratic process. If you have any questions, please contact Denise Jones at (814)432-9508, or djones@co.venango.pa.us.

Thank you for making the Student Poll Worker Program a success!

Sincerely,

VENANGO COUNTY ELECTION BOARD
